On May 19th to 21st inclusive the Greatest Musical Event ever given in Kentucky will be held in Hopkinsville—for the joint benefit of the Union Tabernacle Co. and the Benevolent Order of Elks. What money is made for the Tabernacle will be used to improve the Tabernacle building, and that made by the Elks will be largely used in dispensing charity. Never in all the history of Western Kentucky has there been such an opportunity for pleasure and profit. Creatore and his band of 60 pieces, Mme. Bareli, world renowned soloist, and others of equal fame; a chorus of 650 voices trained by that master chorus leader, Prof. Mayo, give some idea of the immensity of the program to be presented. All remember the May Festival last year and those attended pronounced the last performance the greatest show ever seen in Western Kentucky. With the attraction secured and the enthusiastic support of the entire city, the record made last year will be a mere trifle compared to the great success that will necessarily follow the intelligent, strenuous effort to be put forth this year. You'll be asking, "What has Anderson's store got to do with the May Music Festival?" Just this: **WE WILL GIVE EVERY MAN, WOMAN AND CHILD A TICKET FREE** to the May Music Festival who will spend Ten Dollars or more in our store before the night of May 21st. Here is our plan: On every CASH purchase of Ten Dollars or more we will give absolutely free a reserve seat ticket, good for any performance during the May Festival. Remember, these seats are reserved for you and you may have the choice of all the seats in the house. These seats are worth One Dollar, and we have the positive guarantee that no reserved seat will be sold for less than one dollar. No more attractive offer has ever been made in the form of an advertisement, and should appeal to every person in a radius of fifty miles of Hopkinsville. Remember, you have **SEVEN COMPLETE STOCKS** of bright new merchandise to select from, and you don't have to spend the whole amount of Ten Dollars in one department, **BUT YOU MUST SPEND TEN DOLLARS IN ONE VISIT TO THE STORE.** Why not get tickets for the whole family? It would be just as easy, you'll have to have the goods some time, and you ought to go to the May Festival---everybody else is going---and you and the whole family may go without costing a penny if you will. This offer holds good beginning Saturday, April 25th, and continues to May 21st. Don't delay, come now and you get pick of the seats.

CLOSELY GUARDED.

Is Former President Cleveland's Condition.

Lakewood, N. J., April 24.—No nation of an authoritative character was given out today concerning the condition of Grover Cleveland, whose medical advisors forbade his removal yesterday when the Lakewood Hotel, where he has been for more than a month, closed for the season. Watchmen guard the hotel on all sides and no one is permitted to approach the entrances. Mr. Cleveland occupies a suite on the second floor of the hotel and is constantly attended by Dr. Gaude- nier, the physician attached to the house. It is understood that Dr. Joseph D. Bryant of New York, who has for many years been Mr. Cleveland's physician, has also been here for several days.

DAWSON ROMANCE.

R. F. Wright to be Married Saturday in Louisiana to Miss Addie Pearce.

Col. R. F. Wright, the well known and prominent tobacco dealer of Mayfield, will be married Saturday in Cheneyville, La., to Miss Addie G. Pearce, of Evergreen, La., daughter of Hon. S. S. Pearce, a leading citizen of the Sugar State. The ceremony will be performed by Rev. Henry Bennett, of the First Baptist church, of Marksville, La. Mr. Wright and bride will be at home in Mayfield after April 28.

The marriage of this couple is the culmination of a beautiful courtship, slightly tinged with romance. During the hot months of last July Mr. Wright took occasion to go to Dawson Springs for his health, of course. While taking an afternoon stroll at this famous summer resort and watering place, Mr. Wright was given the pleasure of an introduction

to Miss Pearce. Both parties blushed and from all appearances it looked like a case of love at first sight. From a mere acquaintance to an admiring friendship was the outcome for many months, but the admiration for each began to gradually grow stronger until a severe case of "love" resulted which is now culminated into the announcement of their marriage.

Miss Pearce comes from a stock of good people and her entrance into Mayfield society will be hailed with pleasure.—Mayfield Messenger.

A Quitter.

He didn't like his job a bit,
He didn't like his boss;
He said if he should e'er be fired
It wouldn't be his loss.

He grumbled over his wages till
He filtered through his mind
That life was far from good to him,
The world, forsooth, unkind.

He watched the clock hands moving
When he got a chance to shirk;
He soldiered with vengeance while
Another did his work.

The years went by, he didn't rise,
His pay was still the same,
And do you know, that fool declared
That he was not to blame.

Owensboro Bank Fails.

On the affidavit of J. Otis Parrish, cashier of the Owensboro Savings Bank and Trust Company, application was made for the appointment of a receiver for that institution.

In his affidavit Mr. Parrish states that he does not regard the institution insolvent, but on account of the recent panic and the stringency of the money market, it has not on hand at this time the legal reserve required by law, and has not sufficient currency to meet its obligations as they mature.

TAFT OR FAIRBANKS.

Christian County Republicans Will Convene To-day.

There will be something doing in politics today. The Republicans of Christian county, divided into Taft and Fairbanks factions, will line up in battle array at two o'clock this afternoon to decide which aspirant shall have the instructions from this county. The Taft men at one time seemed to have a decided advantage, but the situation has changed and the outcome is now very doubtful. The Fairbanks men had a big rally at the Court house Thursday night.
